Barrett Township Supervisors
Minutes of Workshop Meeting of June 18, 2025 – 8:00 A.M.

A Workshop Meeting of the Barrett Township Supervisors was held on Wednesday, June 18, 2025, at the Administrative Offices on Route 390 in Cresco, PA. The Supervisors met at 8:00 a.m.

Present: Pam Gardsy, Grover Cleveland, Patti O'Keefe, Kelly Slinger, Darryl Speicher, Nichole Irvin, and the public.

Pam Gardsy began the workshop meeting with discussion on the pending updated sign ordinance, Chapter 407.

- It was decided by all supervisors that language under 407-6 (C) would remove a portion of the sentence about "maintenance of a sign if it is to remain in place" and replace that with language to have a sign removed within 3 months if a business is no longer in operation.
- It was decided to remove 407-9 (B) (5)(d) which is regulation on "A" frame signs (sandwich boards) requiring such sign to be erected only on the property to which it relates and no more than one sign shall be permitted on a single property.
- It was decided that under 407-15 (A) (4)(d) a non-conforming sign that is damaged shall start reconstruction within 3 months from the time of damage. It was also decided that if an extension was requested due to restrictions such as weather, that an application for a temporary waiver could be permitted.
- It was decided that under 407-8 (Q)(5) the new language would be updated to reflect that the duration of temporary contractor signs shall be permitted to stay in place up to 10 days after the completion of the contractor's work. The same sign display duration was decided under 407-8 (G) for temporary real estate signs that the real estate sign shall be permitted to stay in place up to 10 days after the settlement or lease of the property.

Pam Gardsy discussed the 2024 Property Maintenance Code and the on-going communication with Karl Weiler in regard to BEDCO Quality of Life ordinances.

Kelly Slinger mentioned the "Bike for Chai" bicycle run. The supervisors discussed safety protocols and requirements for this bike run to ensure public road safety and permit compliance.

Darryl Speicher mentioned that he would be absent for the next Supervisors Meeting on 6/25/2025 at 8:00 AM.

Grover Cleveland discussed BARC tenant space sharing and coming up with solutions.

Karl Weiler and Karl Stearns presented the Board of Supervisors with a Barrett Township flag to fly below the Pennsylvania State flag on behalf of the BEDCO group.

Karl Weiler also pointed out that Logan Evans of Mountain Landscaping has donated new landscaping around the BARC sign out in front of RT 390.

The workshop meeting ended at 8:30 A.M.
